

Be SMOKEFREE This Summer!

CALLING ALL WOMEN WHO WANT TO QUIT!

DO YOU PLAN TO QUIT SMOKING THIS SUMMER? If so, we want to feature you in our “Women Who Quit” social media campaign and follow you on your journey to become smokefree. With the help of the National Cancer Institute and Smokefree Women, you can quit smoking and inspire other women at the same time. Women across the country will be cheering you on and offering their support!

IF YOU ARE INTERESTED:

- 1 Set a date to commit to quit smoking this summer.
- 2 Send an email to WomenWhoQuit@mmgct.com to express your interest and tell us a little bit about yourself.
- 3 If selected, be ready to share your quitting experience on Facebook through regular updates and videos.
